

Moving Without Pests Checklist

Reduce the risk of carrying cockroaches or bed bugs. This is not a pest-free certificate.

Before packing

- ☐ Create clean, unchecked and suspect zones.
- ☐ Inspect boxes, luggage, bed frames, furniture seams and accessible appliance voids.
- ☐ Contain and photograph uncertain evidence.

Moving day

- ☐ Keep inspected containers closed.
- ☐ Separate clean and suspect items where practical.
- ☐ Do not spray luggage, furniture, vehicles or loads with an unlabelled product.

After arrival

- ☐ Inspect the empty property before unpacking.
- ☐ Unpack gradually and remove empty cardboard.
- ☐ Monitor beds, kitchens and appliance areas for at least two weeks.
